IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

NetZero, Inc.

Opposer,

v.

UVNV, Inc.,

Applicant.

Opposition No.:

NOTICE OF OPPOSITION

Application Serial No.: 86/139965

NetZero, Inc. ("Opposer"), seeks the refusal of registration of the mark ULTRA ZERO (the "Applicant's Mark") as applied for in application serial No. 86/139965 (the "Application"), owned by UVNV, Inc. ("Applicant"), and hereby opposes the Application in International Class 38 on the following basis.

The Parties

1. Opposer is a Delaware corporation with its principal place of business at 21301 Burbank Blvd., Woodland Hills, California 91367.
2. On information and belief, Applicant is a California corporation with its principal place of business at 21121 Lockhaven Circle, Huntington Beach, California 92646.

Opposer's Marks

3. Opposer is in the business of, among other things, providing electronic communications services, operating software, electronic mail services, and downloadable computer software for accessing the internet ("Opposer's Services").
4. Opposer owns trademark registrations in International Class 38 for the following trademarks: NETZERO, MY NETZERO, NETZERO HISPEED, Z NETZERO, NETZERO 4G STICK, NETZERO 4G HOTSPOT, NETZERO DATASHIELD, (collectively, "Opposer's Marks"). Opposer's marks are the subject of U.S. Registration Nos. 2304296, 2382595,

2851797, 2899543, 4241928, 4241937, 4294829, 4294830, 4553053, and 4553054 (“Opposer’s Registrations”). Printouts of the TSDR records for these registrations are attached as **Exhibit 1**.

5. Opposer has been in the business of offering Opposer’s Services for over 15 years in association with its NETZERO family of marks.

The Application

6. Applicant is the record owner of the Application, which covers electronic transmission of messages and data, telephone telecommunications services provided via prepaid telephone calling cards, and voice over IP services in International Class 38 (“Applicant’s Services”).

7. The Application was filed on December 13, 2013, based on alleged use of the ULTRA ZERO mark in commerce in association with Applicant’s Services since at least as early as October 31, 2013.

Claims

A. Priority and Likelihood of Confusion

8. Opposer’s Marks are distinctive for Opposer’s Services.

9. In 1999, the NETZERO mark was first registered by Opposer for providing multiple-user access to a global computer information network.

10. Opposer’s Registrations issued prior to the filing date of the Application, and prior to any date upon which Applicant can rely for priority purposes, and are valid and subsisting. Registrations No. 2304296, 2382595, 2851797, and 2899543 have become incontestable.

11. Through use and advertising of Opposer’s Marks in association with providing electronic communications services, operating software, electronic mail services, and downloadable computer software for accessing the internet, Opposer and has established valuable goodwill in connection with Opposer’s Services under these marks.

12. Use of Opposer's Marks in commerce in the United States in association with Opposer's Services began at least as early as 1999, or more than 13 years before the filing date of the Application and alleged first use of Applicant's Mark for Applicant's Services.

13. Applicant's Mark shares "ZERO" with each of Opposer's Marks.

14. Opposer's Services are identical and closely related to Applicant's Services.

15. Applicant's Mark is confusingly similar to Opposer's Marks such that its use and registration by Applicant with Applicant's Services is likely to cause confusion, mistake, or to deceive as to the origin, sponsorship and approval of Applicant's Services, and is likely to suggest an affiliation, connection or association of Applicant and Applicant's Services with Opposer and Opposer's Services, with consequent injury to Opposer, the trade and to the public.

16. The registration of Applicant's Mark would prevent Opposer from exercising exclusive control over the goodwill and reputation associated with Opposer's Marks. Therefore, the registration of Applicant's Mark would damage and injure Opposer.

17. Opposer will also be damaged by the registration of Applicant's Mark because such registration will support statutory rights for Applicant in violation and derogation of Opposer's prior, superior and exclusive rights in Opposer's Marks.

Prayer for Relief

WHEREFORE, Opposer believes that it will be damaged by registration of Applicant's Mark as reflected in the Application, serial No. 86/139965, and respectfully requests that the Application be refused and registration of Applicant's Mark denied. This Notice of Opposition is filed according to the rules governing electronic submissions to the Trademark Trial and Appeal Board, including payment of the requisite fee.
